NONE AVAILABLE, Cockeysville, MD

Powers Avenue is a stunning classic colonial set on a scenic 4.36-acre lot that offers both privacy and grandeur. This 5,300 square foot home is the epitome of traditional elegance, featuring a spacious five-bedroom, three-and-a-half bathroom layout with 10-foot ceilings that create a sense of openness and luxury. The Anderson windows and hardwood floors, along with the freshly painted neutral tones throughout, ensure a modern, inviting aesthetic. The home's interior is as functional as it is beautiful. The large open chef's kitchen, complete with an island and seating area, is perfect for both casual meals and entertaining, while the formal living and dining areas provide space for more traditional gatherings. Entering the home, you're greeted by a two-story foyer with a grand staircase that sets the tone for the rest of the house. The living room, with its gas fireplace and soaring two-story ceilings, is a centerpiece of comfort and style. The main level also includes a versatile office or bedroom, a half bath, and a mudroom. The fully finished walk-out basement adds significant living space, featuring a bedroom, full bath, recreation room, and additional living area, making it ideal for guests and family. The master bedroom upstairs is a private retreat, boasting a gas fireplace, tray ceilings, walk-in closets and a spa-like bathroom with a stand-up shower, garden tub, and dual vanities. Two additional bedrooms are located upstairs (with newly replaced carpet in 2024),

one of which is a double room that could easily be converted into two separate bedrooms. The loft area, overlooking the living room, boasts beautiful views, adding to the home's open feel. The loft can easily be finished as a 4th bedroom upstairs. Second-floor laundry is a convenient luxury! Outdoor living is equally impressive, with a pergola and 1,250-square-foot composite deck that wraps around the back of the home, offering breathtaking morning and evening views of the surrounding landscape. The front of the home overlooks lush greenery, including a charming spring house, adding to the scenic ambiance of the property. The three-car garage (new door 2023), equipped with an electric car charger and a generator plug access via the electric panel, caters to the needs of today's homeowners. This residence is not just a home; it's a lifestyle - one that combines traditional charm with modern conveniences, all set in a picturesque, secluded setting with easy access to I-83, I-695, NCR trail and Hunt Valley Town Center.
