Residential on 57.28 Acres

NONE AVAILABLE, Sabillasville, MD

Welcome to Everlee Acres, a secluded estate nestled on over 57 acres of mature woodland in North Frederick County, near Cunningham Falls State Park and other recreational destinations. This all-brick Cape Cod offers more than 3,000 square feet of finished living space, with a spacious main-level primary suite featuring a private bath and French doors that open to a full-length covered porch.

The home showcases oak floors with wood pegs, solid wood doors, and large Andersen windows in every room, offering panoramic views of the surrounding forest. The main level includes a formal living room, dining room, and a family room or study, 2 half baths with a rough-in for a wet bar. A second deep porch off the kitchen provides a perfect setting for outdoor dining and entertaining.

The recently updated kitchen features solid cherry cabinetry, granite countertops, a custom tile backsplash, stainless steel appliances, and a cleverly designed pantry with hinged storage. Upstairs, three additional bedrooms and a full bath are accessed via a dramatic oak staircase. Each bedroom includes deep closets, and the fourth bedroom or home office offers walk-in access to the attic for additional storage.

The walk-out basement spans over 2,000 square feet and includes full-size windows, a rough-in for a future full bath, and a multi-fuel

HVAC system designed to run on electricity, propane (buried, owned tank), oil, and wood. A separate heat pump serves the second floor, and an on-demand tankless water heater is available if desired. The home is wired with a Generac backup generator and includes owned solar panels with documentation available for review. A solar water heater is also present in the lower level but is not currently installed. The roof was replaced in 2021, and the solar panels were reinstalled at that time.

Additional features include fiber optic internet access, a ChargePoint HomeFlex Level 2 EV Charger in the attached garage, and flat pasture and garden space behind the NEW multi-car garage pole building—ideal for growing produce or establishing a hobby farm. The property also includes a historic outbuilding, scenic trails, and natural stone formations.

Everlee Acres offers a rare opportunity to own a private retreat with modern amenities, energy independence, and endless potential. Whether you're seeking a homestead, equestrian property, or peaceful escape, this extraordinary home is ready to welcome you.
